

Welcome to the 10<sup>th</sup> Annual Legends IN Design, where we celebrate an industry full of fun and creative individuals that together make up one heck of a community. This event will be held on Monday, May 21<sup>st</sup> at Newfields (previously known as IMA) and promises to be another exciting year!

As we gather to celebrate, we will take a look back over the last decade of design and those who lead the way. We will celebrate where we've been, where we're going and most importantly the community that we are all a part of.

Since the beginning, the Legends IN Design event has been one of the best attended events, we expect nothing less this year. There are ample opportunities to be a part of this celebration, whether you choose to spend a little extra to have a Legend at your table, save a chair for a scholarship winner or sponsor the Look Book which all attendees will have an opportunity to take home with them...the possibilities are endless.
